Dear Alan,

Thank you for the cordial reception that you and Bernie Kamenske gave [] and me during our visit yesterday.

As a newcomer in FBIS, I found it very helpful to hear your views on how our material is used by VOA. It was also useful to learn something about how you manage the wide-ranging activities that go with presenting timely coverage of world events. We will keep VOA's interests in mind as we plan our own coverage.

Please extend my thanks to Bernie for the interesting tour of the news room and the insights that he provided.

Sincerely,

[]
Director
